Product highlights

Black Hibri picture tube

Black Hibri is a TV tube technology used on Philips small-screen TVs, giving good color reproduction on smaller sets.

Contrast & Sharpness Control

Contrast and Sharpness Control for better image control

Bionic Sound

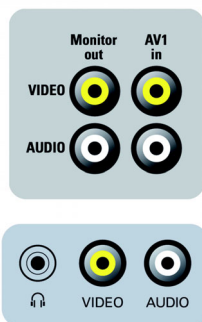

Bionic creates a spatial effect sound from 2 speakers, a lifelike sound pleasant to your ear.

Smart Picture and Smart Sound

Philips preset modes for Smart Picture and Smart Sound provide you with direct access via a single key on the remote control. You can select optimized picture and sound settings for the various picture and sound modes.

4x3 Expand

4x3 Expand enables widescreen movies to be viewed on a 4:3 aspect ratio TV screen by removing the black bars at the top and bottom of the image. You are able to watch full-screen movies without compromising on picture quality and resolution.
